Dear Farai,

Many, many thanks to you and the rest of the band for making my 60th birthday party a most memorable occasion. It was the best of nights and the 4 of you are to be congratulated.

I got your band from Google, emailed to ask if you could play in a week, you wrote back straight away in the affirmative, you all turned up on time, set up the pans and boom, I never stopped dancing for the 2 hours - it was simply fantastic.

Not only did you play great steelband music but you are a nice friendly team too and it was a real pleasure to meet you all.

Thanks again for making my birthday such a special one.

Yours sincerely,

Kathryn Barry
